

As for the US plan for Pakistan's economy, whilst dangling promises of foreign economic aid and international trade in front of our noses, the Bajwa-Imran regime unleashes economic ruin on us through collaboration with America's colonialist tool, the IMF. And having crippled our agriculture and industry, the Bajwa-Imran regime is currently building a public opinion to open our economic borders to India, so that its goods may flood our markets, which are already suffering from the dominance of Western multinational companies. As for the economic aid from the US itself, it is a well-established style of colonialism which has guaranteed destructive dependence on America throughout the world, from Latin America to South East Asia. Thus, the Bajwa-Imran regime bribes us for our consent to its alliance with the kuffar, with false promises of rivers of milk and honey, even though Allah (swt) warned, ﴿مَا يَوَدُّ الَّذِينَ كَفَرُوا مِنْ أَهْلِ الْكِتَابِ﴾ **“Neither those who disbelieve among the People of the Book nor Al-Mushrikun like that there should be sent down unto you any good from your Lord. And Allah bestows grace upon whom He chooses- for Allah is limitless in His great bounty”** [Surah al-Baqarah 2: 105].

### **O Muslims of Pakistan and their Armed Forces in Particular!**

Since the destruction of our shield, the Khilafah, far from being a source of strength, alliance with colonialist states has only brought us foreign policy humiliation and economic misery throughout the Muslim World. It is not from wisdom to undertake the same steps in expectation of a different result. The words of the treacherous Musharraf still ring in our ears when he promised, on 19 September 2001, that alliance with the US will secure our sovereignty, economy, strategic assets and Kashmir cause, which did not happen. Yet, the Bajwa-Imran regime is now working to strengthen the same alliance that ensured huge losses, chaos and upheaval throughout Pakistan, even though disobedience of Allah (swt) will neither grant us prosperity nor security. Allah (swt) warned, ﴿مَثَلُ الَّذِينَ اتَّخَذُوا مِنْ دُونِ اللَّهِ أَوْلِيَاءَ كَمَثَلِ الْعَنْكَبُوتِ اتَّخَذَتْ بَيْتًا وَإِنَّ أَوْهَنَ الْبُيُوتِ لَبَيْتُ الْعَنْكَبُوتِ لَوْ كَانُوا يَعْلَمُونَ﴾ **“The example of those who take allies other than Allah is like that of the spider who takes a home. And indeed, the weakest of homes is the home of the spider, if they only knew.”** [Surah Al-Ankabut 29:41].

The wise leadership is the one that adheres to Revelation for guidance. The guaranteed source of our strength is our great Deen as implemented by the Khilafah (Caliphate) on the Method of the Prophethood. Thus, Hizb ut Tahrir calls us all to work with it for the resumption of Islam as a way of life. And thus Hizb ut Tahrir calls upon the officers of our armed forces to grant it their Nussrah (Material Support) so that it can practically rule by all that Allah (swt) has revealed. It is the Khilafah alone which will mobilize all our abundant resources for the service of Islam and Muslims. And it alone will work to unify all the current states of Muslims into the single most resourceful state in the world. Allah (swt) said, ﴿الَّذِينَ يَتَّخِذُونَ الْكَافِرِينَ أَوْلِيَاءَ مِنْ دُونِ الْمُؤْمِنِينَ أَبِيتُّعُونَ عِنْدَهُمُ الْعِزَّةَ فَإِنَّ الْعِزَّةَ لِلَّهِ جَمِيعًا﴾ **“Those who take disbelievers for allies instead of believers, do they seek power with them? Verily, then to Allah belongs all power.”** [Surah an-Nisa'a 4:139].
