

## What must we do for Al-Aqsa Masjid and the Blessed Lands of Palestine? What must we not do?

We must not call on Western governments as they initially created and now support the Jewish occupation.

We must not call on the United Nations as it is a tool for colonialist states, which ensures defeat for the Muslims and victory for the Kuffar.

We must not call on the OIC, or any group within the OIC, as the rulers of Muslims are in alliance with the colonialist states and will never challenge their interests and plans.

We must not consider ourselves corrupt, when the entire Ummah is calling for mobilization of the Muslim armies due to its love for Allah (swt) and His Messenger (saw).

We must not consider ourselves, when the Muslim World has been blessed with all manners of energy, mineral and agricultural resources.

We must not consider our armies weak, when the seven largest Muslim states alone have a combined strength of 2,787,500.

We must not consider our enemies invincible, when the civilians of Palestine, Kashmir and Afghanistan have shaken enemy military forces due to their desire for martyrdom.

### What must we do?

We must boycott the Western solutions and their puppet rulers in the Muslim World.

We must speak out on the social media to strengthen the call for the mobilization of our armies.

We must demand our influential, journalists, intellectuals, 'Ulema, politicians and businessmen call with us.

We must make Dua along with enjoining the good and forbidding the evil, and not Dua alone.

We must urge the officers of the Muslim armies to mobilize to liberate Palestine, Kashmir and other occupied Muslim Lands.

We must demand the Muslim armies to dethrone the existing treacherous rulers of Muslim world, re-establishing the Khilafah (Caliphate) on the Method of Prophethood in their place.

Allah (swt) said,

﴿وَمَا عَلَيْنَا إِلَّا الْبَلَاغُ الْمُبِينُ﴾

“And our duty is only to deliver (the message) clearly.” [Surah Yasin 36:17].
