

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

The current leaders are corrupt and so is the system, the only way for liberation is the establishment of the KHILAFAH

The heart bleeds with grief when considering the situation of the Muslims today. With regards to the wealth of the Muslims, each day brings new misery, whether in terms of rises in the prices of petrol, gas and wheat, or electricity shortages, or robberies and suicides driven by extreme poverty. With regards to the belief of the Muslims, Islam is constantly being undermined through the education syllabus and the media, such that parents are constantly fearful for their children. As for the lands of the Muslims, Afghanistan remains under occupation of the colonialists and the Hindu state is emboldened in its oppression of the Muslims of Kashmir.

And the blood boils with rage, when seeing that whilst the Muslims are suffering, their rulers and leaders are busy securing their thrones and the interests of their colonialist masters:

With regards to ruling: These so-called leaders run to London, to Dubai and then back to Islamabad, meeting officials from Europe and America, so as to make a government that will act as a guarantor and guardian for the kuffar. They seek to resolve the issue of the judges in a way that both preserves the National Reconciliation Ordinance, which pardons the politicians for their previous corruption, and the Seventeenth Amendment, which protects all the laws that Musharraf made to benefit the colonialist powers.

With regards to economy: They meet the colonialist financial institutions, the World Bank and IMF, to take from them the capitalist policies which have wrecked Pakistan's economy, promising to strangle the economy further through taxation and strengthening the Western exploitation of the Muslim resources. And as if to ridicule the Muslims, they raise prices "weekly", but still insist on going ahead with an "annual" budget. To add to the ridicule they insist on calling it a 'people friendly budget,' even after having driven some people to suicide and others to robbery through poverty!

With regards to the Muslim Lands: At a time when the people struggle to afford petrol and diesel, they export fuel to Afghanistan so that the colonialist NATO military vehicles are fueled and ready to oppress the Muslims. And whilst people face humiliation in their desperate search for wheat, the present leaders continue to provide all manner of food through the NWFP to support America's occupation of Afghanistan.

O Muslims of Pakistan!

In a very short time after the elections, it became clear to you that all the present leaders neither care for you nor are sincere to you. Indeed, your existing leaders are just like those whom RasulAllah صلى الله عليه وسلم described,

أَعَاذَكُمُ اللَّهُ مِنْ إِمَارَةِ السُّفَهَاءِ قَالُوا وَمَا إِمَارَةُ السُّفَهَاءِ قَالَ أَمْرَاءُ يَكُونُونَ بَعْدِي لَا يَقْتَدُونَ بِهَدْيِي وَلَا يَسْتَنْوْنَ بِسُنَّتِي فَمَنْ صَدَّقَهُمْ بِكُذِبِهِمْ وَأَعَانَهُمْ عَلَى ظُلْمِهِمْ فَأُولَئِكَ لَيْسُوا مِنِّي وَلَسْتُ مِنْهُمْ وَلَا يَرُدُّوهُ عَلَيَّ حَوْضِي وَمَنْ لَمْ يُصَدِّقْهُمْ بِكُذِبِهِمْ وَلَمْ يُعِنْهُمْ عَلَى ظُلْمِهِمْ فَأُولَئِكَ مِنِّي وَأَنَا مِنْهُمْ وَسِيرُدُوا عَلَيَّ حَوْضِي

"Allah save you from the leadership of the foolish ones." The companion asked the Prophet, "Who are from the foolish leadership?" The Prophet replied, "Those rulers who will come after me and they will neither heed my guidance nor follow my way (sunnah), so whosoever validated their lies and supported them in their treachery, will not be from me and I am not from them and they will not (allowed to come near) my well, i.e. *al-Kawthar*, and whoever does not validate their falsehood and does not support them in their treachery, they are from me and I am from them and they will meet me at my well, i.e. *al-Kawthar*." [Ahmad]

And, O Muslims, you must know that any leadership who is ready to accept ruling within this corrupt, kufr system can never be sincere to you. Instead such leaders will bargain away Islam and the Muslims' interests for their own personal benefit, because this system is not here to uphold Islam, rather it implements kufr laws and is molded to preserve the interests of the kuffar.

O Muslims of Pakistan!

Your democratic leaders have given you nothing but disgrace, humiliation and despair, just like the dictators before them. But, if you reflect just for a moment, O Muslims, you will sense the sincere leadership that is emerging from within you. It is that leadership which immediately forewarns you of the plots of the kuffar, exposes the real face of the traitor rulers and directs you to the only method to solve your problems, the KHILAFAH. And whilst doing so it neither spares any effort and nor fears the brutal oppression of the current tyrant rulers in the Muslim lands.

So, **Hizb ut-Tahrir** continues to call you to rally around its sincere youth, those who have embraced Islam and grasp its thoughts with vigour. **Hizb ut-Tahrir** calls you to stand with it in its struggle to re-establish the KHILAFAH. Without doubt, it was the KHILAFAH that looked after your affairs, solved your problems and gave you a sincere

leadership in this world. Only through the KHILAFAH will your lives, properties, honor and, above all else, your belief will be secured. And this is the reason that in the time of the KHILAFAH that there was no need for protests when RasulAllah صلى الله عليه و سلم was insulted, for the Muslims knew that their KHILAFAH state would be ready to give respond with strength and purpose, as happened in the time of Khaleefah Abdul Hamid, Ath-Thaane.

This 28 Rajab, 1429 AH, (which falls near the end of July 2008), it will have been 85 years since the KHILAFAH was seized from the Ummah by the British, the French and the treacherous rulers of Muslims who collaborated with the kuffar. So pledge to your Lord تعالى سبحانه that you will spare no effort to ensure that not another year passes without the establishment of the KHILAFAH, the great obligation (Fard). And know that the KHILAFAH is the only way that you will have rulers over you who are sincere to you and your deen.

O People of Power!

How long will you be deaf to the cries of your people? How long will you be blind to the growing Fitnah, affliction and trials, that they face? It is not acceptable that the current rulers destroy your people in front of your own eyes, whilst you have the capability to stop them, yet you merely watch and do nothing to stop them. And know that Allah سبحانه وتعالى not only punishes every oppressor who causes agony through his oppression, He سبحانه وتعالى also punishes those who do nothing to stop the oppression and remain passive. He سبحانه وتعالى says:

وَاتَّقُوا فِتْنَةً لَا تُصِيبَنَّ الَّذِينَ ظَلَمُوا مِنْكُمْ خَاصَّةً وَاعْلَمُوا أَنَّ اللَّهَ شَدِيدُ الْعِقَابِ

“And fear the Fitnah (affliction and trial) which affects not in particular (only) those of you who do wrong (but it may afflict all the good and the bad people), and know that Allah is Severe in punishment.” [Surah al-Anfaal: 25]

Also, RasulAllah صلى الله عليه وسلم said,

«إِنَّ النَّاسَ إِذَا رَأَوْا الظَّالِمَ فَلَمْ يَأْخُذُوا عَلَى يَدَيْهِ أَوْشَكَ أَنْ يُعَمَّهُمُ اللَّهُ بِعِقَابٍ مِنْهُ»

“If people saw an oppressor committing oppression and yet did nothing to stop him from his act, then soon Allah سبحانه وتعالى punish them.” (Tirmidhi)

Hizb ut-Tahrir calls upon you to galvanise your resolve and urges you to rise up against these rulers who have been assigned over your necks by your own enemies and who serve them with complete submission. Seize their hands, remove them from your necks and establish the Khilafah in their place, so that Allah سبحانه وتعالى does not punish you along with them!

إِنَّ فِي هَذَا كِتَابًا لِقَوْمٍ عَابِدِينَ

“Verily, in this (the Qur’ân) there is a plain Message for people who worship Allah” [Surah al-Anbiyaa 21:106]
