

## {إِنَّ فِي هَذَا لَبَلَاغًا لِقَوْمٍ عَابِدِينَ}

Had Hizb ut Tahrir not warned you in advance to not participate in a process that is not only prohibited rather only meant to serve the interests of the west? Had Hizb ut Tahrir not told you in advance that the Kafir west apparently gives you the fake assurance of giving you the right to vote, however, in reality the selection of the president is appointed by the force of top colonialist Kaffir country? Had Hizb ut Tahrir not warned you to not legitimate this un-Islamic/"democratic" system by participating in their election process? The participators on the runoff election have to be sure if the words of Allah in Quran don't apply to them. Allah Almighty says:

{أَوَلَا يَرَوْنَ أَنَّهُمْ يُفْتَنُونَ فِي كُلِّ عَامٍ مَرَّةً أَوْ مَرَّتَيْنِ ثُمَّ لَا يَتُوبُونَ وَلَا هُمْ يَذَكَّرُونَ}

*Do they not see that they are put to trial every year once or twice; still they neither repent, nor do they take lesson?*

Hizb ut Tahrir does not make magical forecast. Rather, by establishing a correct understanding of the political reality of Afghanistan and by relating Islamic ahkam (rulings) to this reality, it recommends solutions to problems from the Islamic Aqeeda.

On Tuesday 20<sup>th</sup> Oct 09, Hamed Karzai spoke shoulder to shoulder to US Senator John Kerry and UN envoy Kai Eide, whose presence underscored intensive Western lobbying of Karzai to resolve the weeks of political paralysis.

Only around 12% of Afghans only had casted their votes in a non Islamic election process and the rest of people boycotted the whole process, and it didn't accomplish the goal of the Kaffir west in the country and they restarted the whole process for other aims.

The question arises here, that even in terms of their own propagation; would it be a democratic government if only a very small number of the population takes part in the election? It doesn't matter whether this lack of participation is because of fear or because of frustration. The Afghan people do not believe in democracy nor do the candidates. The fraud has clearly hinted to this fact. What can you expect from the runoff election results? Despite being evident of less than a few percent of people who will participate in next process, do you think the Kafir west will call this a government of minorities? Where is the will of the rest of the Afghans? The will of the people is sacred to the democrats. Why are they violating it? They don't believe that you deserve democracy. They indeed know that you don't believe in it. So why are you making fool of yourselves?

People of Afghanistan must understand that these colonialists and their installed puppet governments and systems will serve their own interests using Afghanistan's geo-strategically advantages protecting their interest in the whole region. They are not interested in bringing democracy here nor do the candidates believe in it. Are you going to act in a way losing your dunya and Akhirah. Therefore, you must stand against it and be aware of every step of Kuffar that is aimed to fool you again.

Muhammad SAS has addressed the issue as:

"لا يلدغ المؤمن من جحر واحد مرتين"

*A believer is not bitten from the same hole twice*

The mistake of those who participated in elections by nominating their candidates and casting their votes has legalized this un-Islamic process of election in Afghanistan, and it has given the Kafir western colonialist armies in Afghanistan to force the will of minorities on majorities as well as to implement Kufr on Muslims in Afghanistan which is against their own believes. This was what Hizb ut Tahrir was advising you in advance and this was what the western installed government's intelligence forces had arrested the members and supporters of Hizb ut Tahrir for in Afghanistan i.e. to stop them telling you the truth.

Oh you, the candidates: it is you and people like you who have prepared the grounds for the legitimating the western looting of the nations' (Ummah) resources, killing of their sons, raping of their dignity, destruction of their homelands and giving the authority of Kuffar on Muslims. Why is that? Just for a little period of so-called power and the filling of your pockets? Muhammad SAS had addressed you and people of your kind as:

"إنما أخاف على أمي الأئمة المضلين"

*The only fears I have for my Ummah are astray leaders (who will lead them astray)*

"إنكم ستحرصون على الإمارة وإنما ستكون يوم القيامة حسرة وندامة"

*You are eager for leadership and it is truly regret and a sorrow on*

*The Day of Judgment*

This is the actions of you and people of your kinds that the nation (Ummah) is not only in humiliation in this world, but also on the Day of Judgment, because you have not provided the authority of what is revealed by Allah Almighty. Muhammad SAS has said:

"لكل غادر لواء يوم القيامة يرفع له بقدر غدره، ألا ولا غادر أعظم غدرًا من أمير عامة."

*In the Day of Judgment, every traitor will be holding a flag as big as his betrayal, and the biggest flag will be of a ruler who betrayed his people.*

Oh you the Islam-loving people of Afghanistan, your problem is not unique, rather exactly the same of the rest of the Ummah which is high jacked by the traitor regimes installed by the same colonialists who have invaded your homeland. Raise your voice against this humiliation of your Lord's revealed deen, Islam, and work for re-establishment of Khilafah. That is the only solution of all those problems ruling today's world.
