

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

This War of Fitna is America's handiwork Uproot America and her agents

Establishing the Khilafah is the actual *Rah-e-Nijat* (Path of Liberation)

O Muslims of Pakistan!

We the shebaab of Hizb ut Tahrir, who have been working throughout the Muslim World for over fifty years, and within Pakistan for over a decade, are compelled to address you in this leaflet of mobilization, assured that you are now on the brink of a great and now inevitable change. We have sensed this more strongly this year, 2009, than any other year, whilst we distributed hundreds of thousands of leaflets, addressed tens of thousands of you in bayyans and discussions and displayed thousands of banners and posters on the subject of ending all American presence in Pakistan and as you enthusiastically signed and posted thousands of Hizb ut Tahrir Wilayah Pakistan's "Red Letters" to President Zardari, which demanded an end of all American intelligence, military, bases and embassies in Pakistan. And we have also noticed this in your response to the media coverage about Hizb ut Tahrir and its noble work to establish the Khilafah, which reached millions of you, after hundreds of arrests of the people of Hizb ut Tahrir.

There is no doubt in our minds that you are alive and aware of the dangers of the American presence. This is clear in your response to the cowardly attack on the International Islamic University in Islamabad which martyred dozens of our daughters followed by an attack on families as they shopped in Meena Bazaar in Peshawar, which martyred hundreds of our children, mothers, sisters and brothers and served as a garland of blood to welcome the US Secretary of State, Hillary Clinton. It was evident to you that these heinous crimes against Muslims were committed by the Kafir American intelligence, which has been the cause of Fitna and chaos everywhere from Central America to Vietnam, through Iraq and Afghanistan and now roams free in Pakistan, thanks to the current agent rulers.

And we must add here, it is because of your awareness that the visit of Hillary Clinton was a clear failure. She came to win your hearts and minds, announcing her objective in a press conference on her arrival on 28 October 2009, "I'm specifically here to reverse some of those misperceptions. I feel very strongly about it." But rather than reverse negative perceptions about America, she confirmed them by her very words, as she was speaking to the aware, not the naive. When you asked her why American security personnel roam with weapons in the capital, she first acted as if she did not know and then justified it on the basis of "diplomatic immunity." And when she was told that it is the American presence which brought with it chaos and bloodshed and the only solution is that America completely withdraws from the region, she was angered by your awareness despite the agent rulers many and varied attempts to confuse and distract you, so she used stern language as if to rebuke you for your intelligence and was embarrassed into saying that you are "independent"!

And you must know that as you read this leaflet, America is expanding its hegemony of Pakistan to levels never seen before in the history of Pakistan, as if it is proceeding towards its own "Raj", an occupation in all but name. Part of this plan is America's 'Enhanced Partnership with Pakistan Act of 2009', also known as the Kerry Lugar Bill, which is an excuse for an extensive network of American organizations to spend America's money directly to further American objectives in the region. And this network itself is an excuse for even more American military and intelligence in Pakistan, just as the British Empire brought in an army of occupation to secure its East India Company thereby ending the supremacy of the Muslims and Islam over the Indian Subcontinent, through their Raj.

As if this were not enough, America has already succeeded in trapping our military, the seventh largest in the world, comprised of hundreds of thousands of soldiers desiring victory or martyrdom, in a war of Fitna in Waziristan to serve its objectives- a military operation falsely called the "Rah-e-Nijat" (Path of Liberation). Indeed, the Americans have already reserved millions of dollars in a "defence bill" in order to command our army to "defend" the crusader occupation. So, now instead of America counting its dead in its failing efforts to secure its occupation of Afghanistan, the Muslims are now counting their dead. Moreover, our soldiers, the successors of the Ansar (may Allah be pleased with them) who gave the Nussrah (Material Support) for the establishment of Islam, are now to be diverted from uprooting the agent rulers and establishing the Khilafah in their place to securing America's fragile occupation. And those who were previously fighting the crusaders, bruising their ribs and striking fear within their hands, are now fighting Muslim soldiers and weakening the Nussrah and strength of the Muslims by their own hands. Even the presence of the Hindu mushrikeen amongst the forces fighting the Pakistan Army is because of the American presence in Afghanistan, Balochistan and NWFP, which opened doors for India that were previously closed to it. And we must add here that the agent rulers highlight India in their propaganda to divert the armed forces' attention away from America itself- the root cause of this war of Fitna and chaos. Indeed, it is as if we are digging our own graves with our own hands, toil, sweat and blood. Is it not so, O Muslims?!

O Muslims of Pakistan!

Know that the one and only solution to this growing American presence is the establishment of the Khilafah. The Khilafah alone unifies the Muslims, gathering all their resources to protect the Muslims from the evil of the kuffar enemy. Indeed, the Khilafah throughout the ages was a shield for the Muslims, protecting their deen, their lands and their lives. It was the Khilafah that repelled the Tartars, the Crusaders and vanquished the Romans and the Persians. Even in its weakest period, it was the Khilafah that compelled America to pay Jizya in an agreement signed on 21st of Safar, 1210 A.H i.e. 5th June, 1795 C.E., according to which it was required to pay 642,000 gold dollars and an annual payment of 12,000 Othmani gold Lira to the Khilafah State- the only agreement which America has ever signed in a language other than its own.

And we ask you, if the Muslims of Somalia, a poverty-stricken country of meager means, were able to expel the cowardly American military forces, and the Muslims of Iraq, an occupied country which has witnessed its military hardware, tanks and jet fighters, literally cut to pieces by American machinery, are able to prevent America from settling, what is to prevent Pakistan, with the strongest Muslim army and possessing nuclear weapons, from ordering America to leave? Especially at a time when America is failing and hated throughout the world, stretched beyond its capability, its soldiers lacking in bravery despite what they possess of weapons, challenged here and there by Russia and Europe, weakened further by its crippled capitalist economy which is showing no signs of recovery whatsoever, having already spent billions but still having to spend even more billions to save its crumbling hegemony? And does America's pitiful situation not remind you of what Allah سبحانه وتعالى said?

إِنَّ الَّذِينَ كَفَرُوا يُنْفِقُونَ أَمْوَالَهُمْ لِيَصُدُّوا عَنْ سَبِيلِ اللَّهِ فَسَيُفْقَرُونَهَا ثُمَّ تَكُونُ عَلَيْهِمْ حَسْرَةً ثُمَّ يُغْلَبُونَ وَالَّذِينَ كَفَرُوا إِلَىٰ جَهَنَّمَ يُحْشَرُونَ

“Verily, those who disbelieve spend their wealth to hinder (men) from the path of Allâh, and so will they continue to spend it; but in the end it will become an anguish for them. Then they will be overcome. And those who disbelieve will be gathered to Hell.” [Surah al-Anfal 8:36]

O Muslims of Pakistan!

The world stage is prepared and the time has come for the Muslims to arise and become leaders of humankind. Do you not wish to earn the honour of being the Muslim country that re-establishes the rule of Islam, the Khilafah state, which will be a launching point for the re-unification of the entire Muslim world as the single most resourceful state in the world? You are a people who love Islam and Muslims and are willing to sacrifice for their cause. These lands are soaked with the blood of those who sacrificed for Islam for the sake of Hijrah or Jihad against the kuffar enemies. And through the trials and tribulations that you have suffered at the hands of the colonialists and their agent rulers in Pakistan, we have witnessed that you have only increased in your devotion to Allah صلى الله عليه وسلم, سبحانه وتعالى, RasulAllah صلى الله عليه وسلم and the Deen of Truth. Moreover, you must know that the Khilafah is not just a proven shield of Islam and Muslims, it is an obligation for which each and every Muslim is held to account. RasulAllah صلى الله عليه وسلم ordered the Muslims to establish the bay'ah to a Khaleefah, describing the death without Bayah as the worst of all deaths i.e. death of Jahilliyyah.

مَنْ مَاتَ وَلَيْسَ فِي عُنُقِهِ بَيْعَةُ مَاتَ مِيتَةَ جَاهِلِيَّةٍ

“Whosoever dies without the bay'ah on his neck dies the death of Jahilliyyah.” (Muslim)

So, join your nights and days in the noble work for re-establishing the Khilafah, as the shebaab of Hizb ut Tahrir do. Stand side to side with the shebaab and mobilize the Muslims of Pakistan in a vibrant, powerful wave for real change. Let no Masjid, school, university campus, market, office be deprived of the call for the Khilafah. Use your ingenuity to use all the means and styles that Allah سبحانه وتعالى has availed for you to carry the call loud and clear, whether it is by discussions, bayyans, dars, SMS, e-mail, radio or even television broadcast. Let the call for Khilafah resound throughout this land and within this part of the Islamic Ummah. And call your sons, brothers, fathers and uncles in the Pakistan armed forces to deliver a death blow to the American presence in the region by giving the Nussrah to Hizb ut Tahrir for the establishment of the Khilafah, which will end the tide of humiliation and defeat and usher in an era of honour, power and glory.

وَلِلَّهِ الْعِزَّةُ وَلِرَسُولِهِ وَلِلْمُؤْمِنِينَ وَلَكِنَّ الْمُنَافِقِينَ لَا يَعْلَمُونَ

“But honour, power and glory belong to Allâh, and to His Messenger (Muhammad [sal-Allâhu 'alayhi wa sallam]), and to the believers, but the hypocrites know not.” [Surah al-Munafiqoun 63:8].
