{هَذَا بَلَاغٌ لِلنَّاسِ وَلِيُنْذَرُوا بِهِ}

Al-Quds cannot be liberated by resorting to protests and sit-in… it can only be restored by mobilizing armed forces to eliminate the Jewish entity!

The Jews have been provoking Muslims on the al-Aqsa mosque issue day and night, sometimes by digging beneath al-Aqsa or by storming over it; sometimes they harass the worshippers, either by allowing them in or by preventing them from entering the mosque, all at their own will and whim. Sometimes they send in their men for their rituals, and if the Muslims protest at this, they are confronted with fire-power thereby killing the Muslims or detaining them. And while this is the norm, the rulers in the Muslim lands simply count the death toll and compile a list of the injured and arrested persons or merely sympathise with people and allow them to protest and shout against the Jews and their allies without the threat of arrest or prosecution!

Off course, the Jews are not even bothered about these protests much less withdraw even a step back. The Jews have a prior deal with these rulers about the Prophet Ibrahim's sanctuary in Hebron which they have unjustly cornered for themselves and their friends: The occupying enemy coolly wanders day and night, while the people of Hebron are let in or barred from entering it- all at the will of the occupying enemy!

Oh Muslims! While it is a great effort for the record books to sit-in and protest under the occupation and call for help to liberate the al-Aqsa mosque, it is not worth a mention in the records that matter, it is fir for black, obscure books, that Muslims outside the occupied territories are content with protests, sit-ins, marches and virile and fiery sermons etc!

Palestine has been occupied even earlier by the kuffar Crusaders who spewed corruption in the precincts of al-Aqsa and spilled the blood of the martyred Muslims which reached the knees of the soldiers sitting on their horses! The Crusaders destroyed the pulpit of al-Aqsa and converted the mosque as stable for their horses…but the Muslims did not engage themselves in vain protests and sit-ins in order to liberate it, nor did they engaged themselves in building a new pulpit under the occupation; rather the Muslims were focused on re-organising troops under the command of Salahuddin, the Wali of Egypt and ash-Sham under the Khilafah which ruled with Allah has revealed and which fights in His path.

The sit-ins of the Muslims in those times were intruding the fortresses of the Crusader armies and their protests were shocking strikes in the faces of the aggressors, the fiery sermons in those days were the cries of Allahu Akbar on the battle fields. The installed a new pulpit in the al-Aqsa mosque after liberating it and not under occupation; they helped Allah and He provided His help, Indeed He is All Powerful.

{إِنَّ اللَّهَ لَقَوِيٌّ عَزِيزٌ.}

"Verily, Allâh is All-Powerful, All-Mighty. [TMQ: 058:021]

Such were the Muslims, strongly bonded with their deen and Allah, focused and engaged in preparing armies to liberate al-Aqsa and purify it of the Crusaders' evil, enlightening it with cries of the Muslim soldiers who hailed the clear victory. That same path is valid now as well; indeed the way to liberate the al-Aqsa mosque is not vague but is clear as the sun.

That way is to mobilize the Muslim armies and bring together all able bodied Muslims to eliminate the Jewish entity from its roots and only then will the al-Aqsa be liberated and cleared of the scum and evil of the Jews and their offsprings…

This way is to regard the entire Palestine as one- right from the banks of the river in the east to the sea in the west, without differentiating the lands occupied in 1948 or in 1967; whoever relinquishes even one part of the land, actually facilitates surrender of part after part, whoever displays weakness, humiliation is his destiny…

The way to restore and liberate Palestine is to trample upon all negotiations proposals, right from the so-called Road-Map to the concept of two-nations and erase every word of these and those who advocate such negotiations; Palestine can not accept being divided, it is the holy land, purely Islamic, every inch of its soil is strewn with the blood of martyrs and dust of the Mujahedeen's horses.

The way to liberate Palestine is for the Ummah to confront its rulers in their faces and force them to mobilise the armies to fight and if they do not heed, then they should be sternly dealt with. They should be replaced by a true, sincere believer, the rightly-guided Khaleefah behind whom is fought and protection is sought, a ruler who strives to attain the pleasure of Allah. No soldier should lazy around in his camp or deputed for protocols as mere toothless embellishment. Their sole aim must be one of the two noble targets: either achieve victory in liberating the first Qiblah, or martyrdom.

Oh Muslims! The enemy has succeeded in dividing Palestine at the very basic and ground level; he has succeeded in transforming this purely Islamic issue to simply an Arab issue and then further rendered it meaningless as a mere Palestinian ''national'' issue; and finally divided it into two parts: Gaza and the West Banks! It was then regarded as merely an issue of the ''settlements" which was further weakened by such meaningless and semantic argument over whether all or some of the "settlements" should be stopped, frozen, controlled or monitored. The Jewish entity is not tired by these, rather under the guise of all such meaningless arguments, continues to raise pillars or walls or roofs of more "settlements" and decorates them with marble tiles!

Thus the enemies of Islam and their agents succeeded in lowering the issue from its higher platform; to these rulers it is simply a Palestinian issue at best! The rulers are far removed from it, either they remain neutral or even closer to the enemy, may Allah fight them, how do they perceive. But the most painful is the fact that some the Palestinians themselves have assumed positions of honour by sinful means, they cry and tell the rulers: We do not want to mobilise the armies, we are for it! Any sane person can easily understand that liberation of Palestine and elimination of the Jewish entity can only be achieved through a State that mobilises its armed forces to defeat the Jewish entity. This is the only way and Palestine can not be restored and liberated without this. Every Muslim, inside or outside Palestine, either an individual or a group who appeals to the rulers not to mobilise the armies to save Palestine, and allow the Palestinians to languish and suffer the cruel occupation, indeed commits treason to Allah, His Prophet (saw) and all the Muslims because he accepts the continued occupation of Palestine…

Oh Muslims! The fathers and brothers of the Muslim soldiers…Oh the Muslim soldiers:

Al-Aqsa is crying and Palestine is seeking your help, Muslims are urging you, Will you respond positively and seek one of the two noble targets, i.e. victory or martyrdom, in fact they both come together and blot the faces of the Jews with scum, such Muslims will again enter the

mosque like the victors had entered when they had achieved victory. The Jews in and around al-Aqsa will again be humiliated. So will you not respond?

Do you see the badly damaged and disfigured al-Aqsa and yet remain faithful to the treacherous and tyrant rulers? Are you not afraid of Allah's wrath that befell those who disobeyed Allah and obeyed their leaders, who mislead them. They were all confined to hell-fire:

{يَوْمَ تُقَلَّبُ وُجُوهُهُمْ فِي النَّارِ يَقُولُونَ يَا لَيْتَنَا أَطَعْنَا اللَّهَ وَأَطَعْنَا الرَّسُولَا * وَقَالُوا رَبَّنَا إِنَّا أَطَعْنَا سَادَتَنَا وَكُبَرَاءَنَا فَأَضَلُّونَا السَّبِيلَا}

"On the Day when their faces will be turned over in the Fire, they will say: "Oh, would that we had obeyed Allâh and obeyed the Messenger (Muhammad saw)" [TMQ: 033:066]

Are you not the people of strength and force who can demolish the tyrants' fortresses if they prevent you from fighting your enemy? Are you not reminded of Allah words?

{إِلَّا تَنْفِرُوا يُعَذِّبْكُمْ عَذَابًا أَلِيمًا} ؟

"If you march not forth, He will punish you with a painful torment" [TMQ: 09:039]

Oh Muslims! The fathers and brothers of the Muslim soldiers…Oh the Muslim soldiers loitering in your barracks:

Is there not among you a right-thinking person who will revenge for al-Aqsa, the first Qiblah? Is there not a right thinking person among you who will revenge for the elderly Muslims and the orphans?

Is there not among you a right thinking person who will confront the tyrant rulers who are the stooges and are preventing you from seeking either of the two noble targets and from liberating the first Qiblah? Is there not among you a right thinking person who can eliminate these despotic rulers and lead the armies to fight in the path of Allah and rule by what Allah has revealed? Such a fortunate person will find himself being mentioned by Allah Himself and such a person will be envied by the best people of the earth and the angels in the skies!

Is there not among you a right thinking person who understands what Allah has said about these Jews:

{لَنْ يَضُرُّوكُمْ إِلَّا أَذًى وَإِنْ يُقَاتِلُوكُمْ يُوَلُّوكُمُ الْأَدْبَارَ ثُمَّ لَا يُنْصَرُونَ}

"They will do you no harm, barring a trifling annoyance; and if they fight against you, they will show you their backs, and they will not be helped." [TMQ: 03:111]

Is there not among you a right thinking person who understands what Allah's Prophet (saw) has said about these Jews:

«لَتُقَاتِلُنَّ الْيَهُودَ فَلَتَقْتُلُنَّهُمْ حَتَّى يَقُولَ الْحَجَرُ يَا مُسْلِمُ هَذَا يَهُودِيٌّ فَتَعَالَ فَاقْتُلْهُ »

You will fight the Jews and kill them until the stone utters:" Oh Muslim, here is a Jew, come and kill him.

Is there not among you a right thinking person who loves to be honoured by Allah, the All Powerful by leading the armies in order to eliminate the Jewish state and liberate al-Aqsa from where the Prophet (saw) embarked for the Me' raj to the high skies?

Where are the soldiers of Egypt, the land of the Canaan? Where are the soldiers of ash-Sham, the abode of the Khilafah? Where are the soldiers of Iraq, the land of the two rivers? Where are the missiles of Iran, Turkey and Pakistan?

Is it not a farce to be entangled by the Jews like the wrist is surrounded by a bracelet and yet you do not attack this entity once and for all in order to restore the entire Palestine to the fold of Islam and then raise the Adhaan from the pulpit of al-Aqsa which will be free and liberated call free from the clutches and impurity of the Jews and you will rightfully share the honour in this world and the hereafter:

{قَاتِلُوهُمْ يُعَذِّبْهُمُ اللَّهُ بِأَيْدِيكُمْ وَيُخْزِهِمْ وَيَنْصُرْكُمْ عَلَيْهِمْ وَيَشْفِ صُدُورَ قَوْمٍ مُؤْمِنِينَ}

"Fight against them so that Allâh will punish them by your hands and disgrace them and give you victory over them and heal the breasts of a believing people," [TMQ: 009:014]

Oh Muslims! The leader does not betray his people, the Hizb ut Tahrir has truthfully explained to you and sincerely advised you and urges you.

Who loves Palestine, al-Quds and al-Aqsa, and who adores the holy land of Me'raj; indeed the loves these is one who is shaken by the events, the one whose blood curdles in his body at the sight of the Jews committing atrocities on those in seclusion inside the mosque and he sincerely strives to help, the one who works seriously with those who are working to mobilise the armies to fight and if the rulers refuse then he works to replace them with a Mujahid ruler, the Khalifah behind whom one fights and is protected. There is only one option and that is to mobilise the armies and gather all able-bodied Muslims in that army. This is the only way to eliminate the Jewish entity, save al-Quds and restore the whole of Palestine to the fold of Islam.

{هَذَا بَلَاغٌ لِلنَّاسِ وَلِيُنْذَرُوا بِهِ وَلِيَعْلَمُوا أَنَّمَا هُوَ إِلَهٌ وَاحِدٌ وَلِيَذَّكَّرَ أُولُو الْأَلْبَابِ.}

"This is a Message for mankind (and a clear proof against them), in order that they may be warned thereby, and that they may know that He is the only One Ilâh (God – Allâh) – (none has the right to be worshipped but Allâh) – and that men of understanding may take heed." [TMQ: 014:052]
